

Affordable, Professional and Efficient International Logistics Service

As there is an increasing need for delivery services from Japan to overseas countries.
Our company provides cost-effective logistics services between Japan and overseas countries.

For every purpose (Logistics As a Service)

In our LAAS we provide corporate transportation networks including sea and air freight, inbound and outbound logistics from production facilities to warehouses, retailers, end users / consumers.

Also cross-border EC, arrangement of dangerous goods and temperature control facilities, trade documents and MSDS.

Transporting regular items

We offer air freight for up to 1,000 kg in one cargo.
Also depending on the weight, it can be cheaper, faster than shipping by sea.
We also made a partnership with Tokio Marine & Nichido to provide same day insurance on the shipment.

Transportation of fresh food

We offer fresh food or processed, frozen or perishable shipping solutions that require temperature control at a very competitive prices.

Transportation of dangerous goods

Depending upon the dangerous-goods category.
We offer a number of shipping options, also we offer handling all the goods in loading terminals, ports and on vessels.

Solving All The Logistics Problems

Our Services

Providing courier delivery service shipping at a competitive price

We have a partnership with the largest air delivery service companies and consistent excellent quality is guaranteed with a competitive price for each package.

Free packaging services

Our Competitors charges for packaging on each shipment, However, we offer free packaging services, including the packing boxes.

Customs clearance documentation

To simplify the procedures we will fill out the customs clearance documentation.

More than 220 countries

More than 220 countries and regions around the world to provide fast and reliable services.

Payment on delivery

With the Cash on Delivery service, your recipient pays for the letter or parcel before it is handed over.

Insurance

Our Competitors charges for each package that is worth less than 100,000 Japanese yen. We offer the insurance for free in that case.
